

TALMAGE IS ENCOURAGED.

Prospects that the Tabernacle Will Soon Be Out of Trouble.

The Rev. Dr. Talmage and members of his Tabernacle are feeling happy over the prospect that the church will soon be out of its most pressing financial difficulties. Nearly all the creditors have signed an agreement to accept the compromise offer of Mr. Oakes, and all are expected to follow this example within a day or two. Dr. Talmage Saturday night told the trustees that he had issued his check for \$10,000 and requested the brethren to hand in theirs not later than tonight. At this meeting the Rev. Mr. Oakes was made financial manager of the church.

In view of the early liquidation of the Tabernacle's floating debt, The World last evening turned over to Dr. Talmage \$480.00, this made a total of \$9,480.00 which the Brooklyn edition of The World has collected. From another source a subscription of \$100 was turned over to Treasurer Birkett which should have been accredited to The World. This would bring the total collected by The World up to \$9,580.00.

Dr. Talmage said to a World reporter last evening: "I shall always appreciate the aid The World gave us at a critical time in our financial status. It has always been ready to help the Tabernacle and myself. I am hoping that our debts will be paid. Money is being raised all the time. I am confident we shall be relieved of our embarrassment."

When asked if he intended resigning his pastorate Dr. Talmage replied that reports to that effect were unwarranted. He had not thought beyond settling the debts of his church.

CLEVELAND'S IN THE COUNTRY HOUSE.

They Took Possession Saturday—Looking Forward to July.

WASHINGTON, May 16.—President and Mrs. Cleveland moved out to their country home on Saturday. Mrs. Cleveland went out early in the afternoon and later in the day was joined by the President. The house is furnished with the belongings of the New York house until last winter occupied by Mr. and Mrs. Cleveland.

The Star says: "A secret which has been whispered around some time and about which naturally members of the President's household do not care to talk is now no longer a secret, as it has been given considerable publicity. That is, that the members of the family are looking forward to an interesting event to occur, it is stated, in July. The expected event explains why Mr. and Mrs. Cleveland have been somewhat anxious to get into their own country home for the summer."

QUAY'S BANK ROBBED.

But the Burglars Failed to Penetrate the Inner Safe, Containing \$20,000.

PITTSBURG, Pa., May 16.—An attempt was made by burglars yesterday morning to blow open the safe of the Beaver deposit bank at Beaver with dynamite. The robbers succeeded in forcing open the outer safe, but the inner one, containing over \$20,000 in cash and valuable securities, withstood the shock.

The explosion aroused the town, and the thieves were compelled to make a hasty departure, but they took with them \$200 in silver, which had been left in the outside safe.

The bank is known as "Senator Quay's Bank" and is the oldest financial concern in Beaver County.

HE HAD TOO MANY GIRLS.

A Mask and Wig Club Member's Dream of Love Is Over.

It was last year, just before the entertainment, that a very handsome Mask and Wig Clubman promised his best girl seats in the front row, where she could gaze upon his sylph-like form as he pirouetted to the enticing strains of the over-fascinating skirt-dance, says the Philadelphia Times.

She depended on his word, but, alas! she was not his only best girl, and the young clubman, in endeavoring to distribute his favors evenly, found when too late that eight into twelve you can't, therefore, several very pretty girls, who waited until the last moment to hear from him, were obliged to hide themselves in the gallery at an early hour, and with the hot pistol struggle manfully for a place where they could regard the object of their affections as he cavorted about in a blonde wig and accordion-plated skirt.

Among the number who gazed upon him from this dizzy height, was the very bestest girl of all—as she thought—and though she was positively at fever heat with the burning disappointment of having no chance to show off her brand new gown, she could have stood it, if the coveted seat had not been occupied by a fluffy-haired neighbor, whom the young clubman had declared he could not bear, but who now was the recipient of not only the most desirable seat in the house but of his sweetest smiles in the evening.

She had brought a huge bouquet which she hoped to be able to throw somewhere in his vicinity without injuring the occupants of the boxes, but she carried it back home again, and when he called, expecting to be pitted and congratulated, a very much frayed "not at home" met him at the door, and this year her bouquet will go to another youth, whose memory is more nimble than his feet.

Boys, beware—look out for the sweethearts, or the evening's triumph may turn to bitterness as you realize that you have slighted the very one you wanted to please most.

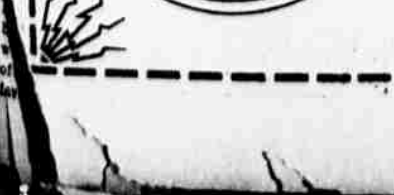

LET IT RUN. and your cough may end in something serious. It's pretty sure to, if your blood is poor. That's just the time and condition that invites Consumption. The seeds are sown and it has fastened its hold upon you, before you know it is near.

It won't do to tarry and delay, when the remedy is at hand. Every disorder that can be reached through the blood yields to Dr. Pierce's Golden Medical Discovery. For Coughs, Bronchitis, Throat and Lung Diseases, Scrofula in every form, and even the scrofulous affection of the lungs that's called Consumption, in all its earlier stages, it is a positive and complete cure.

It is the only blood-cleanser, strength-restorer, and flesh-builder so effective that it can be guaranteed. If it doesn't benefit or cure, in every case, you have your money back.
